REFERENCE: Manager's Monthly Report, March 2022

Dear Residents,

The month of March has passed. Crews stayed busy monitoring road conditions throughout the district. During the month of March HB Henry mobilized for 1 snow event. Crews also completed a grading operation and spotted some stockpile aggregate to soft spots throughout. Due to heavy wind Crews responded to several down trees on 3-22-22. Crews also removed the remainder of the stockpile of wood near the Lake. Crews found homes for some wood giving back to the residents. The remainder of the wood was hauled to the Transfer Station.,

If anyone has any questions, comments, or concerns please feel free to reach out to me.

Respectfully,

Michael D. Coffelt
