

TO: Osprey Lane Sanitary District

FROM: Michael D. Coffelt, Sanitary District Manager, Warren County Public Works

REFERENCE: Manager's Monthly Report, April 2022

Dear Residents,

The month of April has passed, this month no billable work was performed.

Crews will monitor conditions during the month of May and address any issues as needed. The shoulder delineator signs were ordered and will be placed this month. Currently SDM has reviewed with the Sealing Contractor the area of work that needs resealed. We are awaiting the final estimate (this estimate will be significant lower if Contractor can perform this when he is working in area). If agreed on by the AB this sealing would take place late summer.

If anyone has any questions, comments, or concerns, please feel free to reach out to me.

Respectfully,

Michael D. Coffelt

Sanitary District Manager, Warren County Public Works
